ABOUT THE CONCLAVE

ICF is the world's largest professional coaching organization with over 50,000 coaches across 150 countries.

ICF India conclave aims to demonstrate how coaching can help individuals in the context of teams and organizations **THRIVE**, allowing them to perform to their full potential and achieve sustainable growth.

The conclave will have 10+ engaging sessions with eminent Indian and International thought leaders, coaching practitioners, professionals, policymakers, academicians, and community activists from the private, public and non-profit sectors.

CONCLAVE THEME

WE THRIVE

As the world opens up amidst the pandemic and uncertainty, the focus is on sustainable growth for businesses and all stakeholders.

India, with its young and vibrant workforce, is going to lead in this endeavor through innovative and creative models. The ICF India Coaching Conclave 2023 '**We Thrive**' aims to invite business leaders, community leaders, professional coaches, thought leaders, academia, and other stakeholders from India and around the world to bring awareness about best practices for sustainable growth.

The role of coaching is crucial in this changing world to support individuals and teams to lead the world to a better and brighter future.
